Discussion and decision about the Project logo	14.15	All partners
Reporting: 1 st Progress report and 1 st Activities report results	14.45	RTU representative
Meeting closing and next steps	15.15.	RTU representative
Coffee break	15.45	

WS 2 Heat Pumps, September 25th
Faculty of Mechanical Engineering, 1st floor, rooms G102, G104

The issue of agenda	Time	Contributor
Presentation of the <i>Heat Pumps</i> course book EN version	16.15	UDJG representative
Discussion about Laboratory classes available for courses developing by the Project	17.15	UDJG representative and co-authors
Continuing of discussion	17.45	All partners
Workshop closing	18.15	UDJG representative
<i>The end of the 1st day</i>	<i>18.30</i>	

WS 3 Energy Saving Technologies, September 26th
Faculty of Mechanical Engineering, 1st floor, rooms G102, G104

The issue of agenda	Time	Contributor
Presentation of the <i>Energy Saving Technologies</i> course book EN version	09.30	RTU representative
<i>Coffee break</i>	10.30	
Discussion about Laboratory classes available for courses developing by the Project	11.15	RTU representative and co-authors
Continuing of discussion	12.00	All partners
Workshop closing	12.30	RTU representative
<i>Lunch</i>	<i>12.45</i>	
Excursion by Laboratory classes of Mechanical Engineering Faculty and Faculty of Automatic, Computers, Electrical and Electronic Engineering	13.30	UDJG representative
Short excursion by Galati downtown	14.30	UDJG representative
<i>The end of the 2nd day</i>
